

Roosevelt Ravings.

Every time Theodore Roosevelt takes his pen in hand, the American people are given a new cause to "thank God for Woodrow Wilson." In his latest tirade he addresses a number of questions to President Woodrow Wilson as to why he has not made war in Mexico. The occasion of this tirade was President Wilson's warning to the people that the alarming and false reports representing the carranza soldiers and Mexican people as showing hostility to the United States troops sent to punish Villa, are manufactured and sent abroad by American capitalists who have all along been endeavoring to bring on war between the two countries. William R. Hearst owns millions of acres of land in Mexico, the Standard Oil Company owns millions and other millionaires own many more millions. They are shedding no tears over the murder of Americans from time to time in the bandit territory, where the Carranza government cannot give protection as was the case in the Revolution during the Roosevelt and Taft Administrations. Neither is Theodore Roosevelt. What they want is that an army of conquest, involving the shedding of thousands of lives, be sent into Mexico to stand guard over their property and put money into their pockets. The proclamation of President Wilson that the expedition sent to capture Villa would be withdrawn as soon as that was accomplished, upset all their calculations.—Newton Enter, rise.

Our sympathies are all with the negroes arrested at Hickory for selling bottles of water as whiskey. We argue like Judge Priest: Legally whiskey cannot be sold in North Carolina; legally the fellow who put up the coin could not purchase whiskey in Hickory; legally, and actually, they did not buy whiskey; then what's the row about?—Greensboro News.

The Golden Rule is undoubtedly a fine thing, but all that glitters isn't inspired by it.

Power acquired by guilt was never used for a good purpose.—Tacitus.

Insomnia.

Indigestion nearly always disturbs the sleep more or less, and is often the cause of insomnia. Eat a light supper, with little if any meat, and no milk; also take one of Chamberlain's Tablets immediately after supper, and see if you do not rest much better. Obtainable everywhere.

Piety and holiness of life will propitiate the gods.—Cicero.

Protect School Children.

Mensels, scarlet fever and whooping cough are prevalent among school children in many cities. A common cold should never be neglected as it weakens the system so that it is not in condition to throw off more serious diseases. Foley Honey and Tar is pleasant to take, acts quickly, contains no opiate. M B Blackburn.

Terrible Croup Attack Quickly Repulsed By Old Reliable Remedy

Well known Georgia store keeper has mastered croup and colds for his family of ten with Foley's Honey and Tar Compound. The minute that hoarse terrifying croupy cough is heard in the home of J. J. Barber, of Jefferson, Ga., out comes Foley's Honey and Tar Compound—there's always a bottle ready. Here's what he says: "Two of my children, one boy and a girl, aged eight and six years respectively, had terrible attacks of croup last winter and I completely cured them with Foley's Honey and Tar Compound. I have ten in family and for years I've used Foley's Honey and Tar Compound and it never fails." Banish worry and save doctor bills—keep Foley's Honey and Tar Compound always on hand in your home. Each bottle lasts a long time—it's reliable and safe—and the last dose is as good as the first. Get the genuine.

War To End June 17.

For what it is worth the following story from the Financial News of London is printed here.

In the latter half of last year—so runs a London legend—an officer called on his bank manager with regards to certain disposition of his balance preparatory to his departure for the front.

"You won't be away long," said the manager.

"How do you know?" was the reply.

"You will be back in a short time wounded in the hand."

When the officer actually returned, with a wounded hand, and in a short time, he was puzzled. However, his wound healed and he was off again. He went to bid good-bye at the bank.

"Any more prophecies?" said he jocularly.

"You will be away longer this time," replied the manager, "and then you will be rather badly wounded in the leg."

When the officer was wounded in the leg and came home, he sought the first chance to interview his farseeking friend at the bank.

"As you can foretell my wounds can't you give me the date of the end of the war?" he asked.

"The war will end," said the manager, "on June 17 next. But I shan't live to witness it. I shall just about see New Year's Day, and that's all."

He died on January 2. The officer is now looking forward with extraordinary interest to June 17th.

Taken With Croup.

"A few nights ago one of my patrons had a child taken with croup," writes M T Davis, merchant Beersville, West Va. "About midnight he came to my store and bought a bottle of Foley and Tar Compound. Before morning the child was entirely recovered." Many such letters have been written. M B Blackburn.

Safe Medicine for Children.

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most efficient in relieving coughs, colds, and croup. Obtainable everywhere.

Laws are like cobwebs, which may catch small flies, but let wasps and hornets break through.—Swift.

His Age Is Against Him.

"I am 52 years old and have been troubled with kidneys and bladder for a good many years," writes Arthur Jones, Allen, Kans. "My age is against me to ever get cured, but Foley Kidney Pills do me more good than anything I have tried. 'Rheumatism, aching back, shooting pains, stiff joints, irregular action, all have been relieved.' M B Blackburn.

The man who runs into debt doesn't always have a chance to rest on his laurels.

First Rule of Good Health:

All schools of medicine agree that it is necessary to keep the bowels open and regular if one wishes to enjoy good health. Indigestion poisons the system and invites disease. Foley Cathartic Tablets cleanse the bowels without griping or nausea, banish bloating, sweeten the stomach and invigorate the liver. M. B. Blackburn.

Pills Best for Liver.

Because they contain the best liver medicine, no matter how bitter and nauseating for the sweet sugar coating hides the taste. Dr. King's New Life Pills contain ingredients that put the liver working, move the bowels freely. No gripe, no nausea, aid digestion. Just try a bottle of Dr. King's New Life Pills and notice how much better you feel. 25c. at drugists.

The best way to keep good acts in memory is to refresh them with new.—Cato.

Why Constipation Injures.

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.
